## Preset 'Got Attachment' Check based on leave code

This setting will check whether user need to upload support document when apply certain leave code when they apply leave.

### 1. Leave Code Setting

Leave Code Setting - Got Attachment?

Update  Add  Delete  Close

Page 1 of 1 (2 items) < [1] >

#	Leave Code	Description	Need Attachment
<input type="checkbox"/>	MAT	CUTI BERSALIN	<input checked="" type="checkbox"/>
<input type="checkbox"/>	MC	CUTI SAKIT	<input checked="" type="checkbox"/>

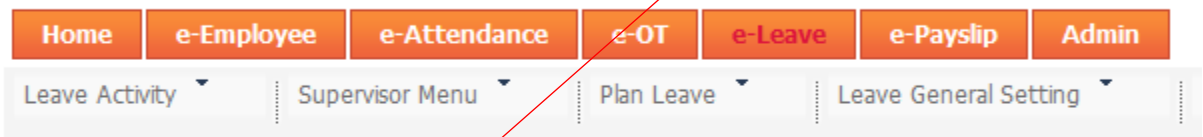

Page 1 of 1 (2 items) < [1] >

You just add in "Leave Code" which need a supporting document only.

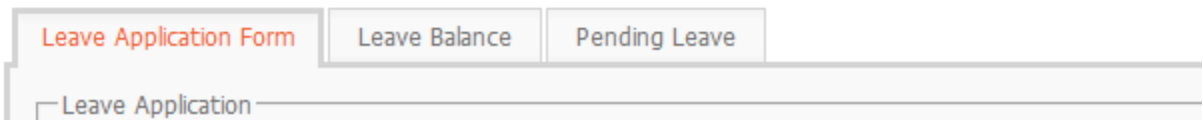

**\* Notes:**

If leave code already add in at above screen, please remove leave document rules which you set those leave codes which must have supporting document to prevent system double checking the condition.

## 2. Submit Leave Form

- Warning: You must provide supporting attachment when apply leave.

System will prompt above message when you didn't upload supporting document.
